DETAILED ACTION

Reissue Applications

1. The reissue oath/declaration filed with this application is defective because applicant failed to file a supplemental reissue oath/declaration when the Amended Claims were filed on 01-04-2006, which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.
2. Claims 1-27 are rejected as being based upon a defective reissue oath/declaration because applicant failed to file a supplemental reissue oath/declaration when the Amended Claims were filed on 01-04-2006, under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

3. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

Claims 1-27 are rejected as being based upon a defective reissue because applicant failed to file a supplemental reissue oath/declaration when the Amended Claims were filed on 01-04-2006, under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR

1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

See MPEP § 1414.01.

4. Claim identifiers should be mentioned for each Original and New Claims.

Each Original Claims 1-17 should say this "Claim 1 (Original)".

Each New Claims 18-27 should say this "Claim 18 (New)".

Also, all New Claims 18-27 must be underlined in their entirety.
